<ul style="list-style-type: none">• The course was well-organized and informative. The instructor explained concepts clearly and encouraged active participation. I gained practical knowledge that I can apply in real-world settings. Overall, it was a valuable learning experience.• Discussion groups and presentations.• There are many lesson documents available for later reading.• The class is lively and engaging.• Teachers are very encouraging.	<ul style="list-style-type: none">• The course duration was too short.• Workload is heavy when the course is rushed into 2 weeks and the materials are in English, making me unable to thoroughly review and reflect critically on the materials.	<ul style="list-style-type: none">• The course should have more time to allow for deeper exploration.• The course is good and important for new learners.• Some remote Zoom sessions may also be better than completely in-person class throughout the whole 2 weeks because it takes time to read and reflect on the material. Overall, the class is interesting and provides a lot of learning opportunities.
